The Honorable Ron Wyden Ranking Democratic Member U.S. Senate Finance Committee Washington, DC 20510

Dear Speaker Ryan, Democratic Leader Pelosi, Majority Leader McConnell, Democratic Leader Reid, Chairman Brady, Ranking Member Levin, Chairman Hatch and Ranking Member Wyden:

The undersigned organizations, representing a variety of business, energy, transportation and agriculture stakeholders, strongly urge Congress to provide a seamless, multi-year extension of the tax provisions that are currently slated to expire at the end of 2016. These tax provisions impact sectors that are vital to the U.S. economy and support thousands of jobs nationwide.

Allowing these tax provisions to lapse would effectively increase taxes on the entities that create jobs and economic growth. Also, the on-again, off-again nature of credit eligibility will cause uncertainty and make it more difficult for businesses to make important tax planning decisions.

Accordingly, we respectfully ask that you provide a seamless, multi-year extension of these important tax provisions before Congress adjourns. We look forward to constructively working with you to achieve this important goal and thank you in advance for your consideration.

Sincerely,
