

# 2023 NHA Regional Meeting Series

NHA understands that not everyone can attend national events.

To reach more people and to provide opportunities for NHA member organizations in specific regions of the U.S. to network with one another as well as with others in the industry and those affecting the industry, NHA organizes a series of Regional Meetings each year.

Each of these meetings provide opportunities for sponsorship – and are an excellent way to meet branding and thought leadership marketing objectives. (SEE SECOND PAGE FOR OPTIONS.)
