

Waterpower Week “Marine Energy Sector Showcase” Presenter Question Outline

Monday, May 8, 9:00 – 10:00 AM at the Capital Hilton (1001 16th Street NW, Washington, DC 20036)

Session Description: The marine energy sector is rapidly growing in the U.S. Marine energy is made of a tight-knit community, and we love to get together to share successes, barriers and lessons learned with each other. Join this showcase to hear short presentations about recent device deployments, project developments, ongoing research, and new companies or organizations entering this growing field.

These will be quick 1-2 minute presentations. If you are preparing to present a visual, please only prepare **ONE** slide. Please also follow this question template.

1. What is your name and job title?
2. What is your company / organization and what does your company / organization do?
3. Who is your personal U.S. Representative and who is your company / organization’s U.S. Representative (if your personal address is different than your company / organization address)?
4. Please share recent updates from your company / organization relating to marine energy (e.g., your device is getting ready to be deployed, you hired a new marine energy superstar, you are submitting an application to a Department of Energy funding opportunity, you are working on an exciting research project at a university, etc.)
5. What is your favorite thing about working in the marine energy sector?
